ANNUAL REPORT OF THE

TOWN OF SANBORNTON

NEW HAMPSHIRE

FOR THE YEAR ENDING DECEMBER 31, 1999

IN MEMORIAM

DONALD JAMES SANVILLE
AUGUST 6, 1922 - JULY 20, 1999

Don Sanville, known as "Pa" to many, was a life long resident of Osgood Road in Sanbornton. Best known for his position of service for many years at both the old and new Sanbornton Landfill sites, he was also employed by the town as a part-time police officer and for many years a member of the road crew.

Don served in the Army in WW2, and in his younger years worked as a mechanic and tractor trailer driver. He always enjoyed "puttering" and fixing things (especially lawn mowers). Another interest of Don's was his involvement as an Elder of the Laconia Indianist Historical Association of Sanbornton.

Predeceased by his wife, Amy, and son, Lee, Don's family (son, David and Daughters, June, Donna and Joan) remember that they could always find him either at the landfill, the general store (he loved to "watch" people), or as they call it, "his office" up back at home.

After he retired, Don, still volunteered and "watched over" the metal pile at the landfill. He particularly enjoyed visiting with all of the people who went to the dump. If someone needed something they knew they could go see him and if he didn't have it he'd find it for them. He was always helpful and had a kind word for everyone.

Don will be missed desperately by his family, friends, co-workers and all who knew him. We are sure that wherever he is ... he's still watching over his metal pile.

~ Photo from the family of Donald J. Sanville

Henry N. Andrews, Jr.

Henry has been spending time in Sanbornton since his parents bought a summer cottage on Lake Winnisquam when he was in his early teens. Later, when he was about 21, his parents purchased "the farm" on Wells Road where Henry currently resides. Henry and his wife, Lib, were very active in the Sanbornton Historical Society for many years. They generously contributed their time but also countless framed prints for fund-raising events for the Historical Society (and other organizations, including the Belknap Mill Society). Henry also participated for many years in the teaching programs for local 4th graders held at the Tavern. Along with other Historical Society members, he enjoyed bringing a bit o local history into the lives of the youngsters.

Lib and Henry made friends wherever they lived and traveled, many of whom visited them at the farm throughout the years. Their hospitality and generosity are well known. He misses Lib intensely, but feels fortunate to continue to reside at the farm on Wells Road, with his beloved cat, Ely.

Evelyn Prescott

Evelyn has lived in Sanbornton since the 1940's and has been very active in the community for many years. She was married to Douglass Prescott until his death in 1989. Doug was a well known , successful architect in the area and designed their home where Evelyn still resides. When her children were young, Evelyn, was active in school functions, and was for many years active at the Sanbornton Congregational Church, as financial secretary, and superintendent of the Sunday School. For many years, Evelyn, was the coordinator and distributor for the Govt. Surplus Foods Program, worked at the voting polls, and was treasurer of the Old Home Day committee.

Her perennial gardens have been a favorite hobby of hers, and for many years she worked on the Plant booth at Market Day. Her geranium arrangements in cheese boxes and other containers were always a favorite. Also, known for her cooking skills, Evelyn, has contributed her time to many suppers held at the Town Hall.

Evelyn has always been a hard working individual with a pleasant and very kind personality, always thinking of others and thinking of what is best for the town. Her interest in the town, and community activities is still very much in her thoughts.

BOARD OF SELECTMEN'S REPORT

As we reflect on 1999, we recall a number of challenges as well as accomplishments. Town Meeting '99 was held in an unprecedented two-night session. After a closely contested election, Kevin Roy joined the board, replacing Bill Tobin. Thank you, Bill, for your untiring efforts and time on behalf of the town, and welcome Kevin!

Once the dust settled, a number of initiatives were started including work on town buildings. The new roof was put on the life-safety building, and repair of the salt shed at the town garage. Other major improvements were made at the town garage, including a new furnace, well, and initial work on a septic system. We continue to work on the cleanup of soils resulting from the underground fuel storage tank removed several years ago. Unresolved septic issues involving the Town Hall has put repairs to the foundation on hold for the time being. We look to address these matters in 2000.

The town offices experienced a much needed sprucing up, with the assistance of the Belknap County Correctional Facility, and lots of help from Evelyn Auger and the office staff! A priority for Spring is the exterior of the life-safety building.

Upon the resignation of Ralph Carter in August, the board of selectmen stepped in and assumed the responsibilities of road agent, with a great deal of help from the remaining three members of the highway department. We decided that prior to appointing a road agent, several projects required immediate attention, including reopening Turkey Bridge.

We wish to thank the highway department employees Joel Ellis, Brian Bordeau, and Mark Jenness for a great job. With their help, Woodman Road was completed, Turkey Bridge was reopened and the roads were prepared for winter. Our special thanks to Mark Jenness who stepped in and supervised the crew and projects. Faced with the necessity of appointing a road agent, the board of selectmen (Evelyn Auger not participating) agreed the most logical choice would be veteran road agent Jean Auger. Having served as road agent for twenty-four years, we felt there was no better choice!

Sally Hibberd as trustee of Old Graveyards and Cemeteries has done a wonderful job maintaining the graveyards and cemeteries and Peter Hibberd and members of the cemetery committee, is doing an exceptional job in identifying and plotting gravesites and graveyards. The committee is also working to find a suitable site for a town cemetery. A thirteen acre lot on Pound Road has been identified as a potential site and we look to explore this option in 2000.

Another initiative, involving the development of senior housing, has been very active this year. A nonprofit corporation has been formed and a search for a suitable site initiated. A town lot on the corner of Lower Bay Road and Dr. True

(Board of Selectmen continued)

Road has been identified as a potential site. We have agreed to ask the town for permission to convey the property or a portion of it, should further examination prove it to be viable. Recognizing that senior housing opportunities in Sanbornton would allow senior members of our community the opportunity to remain part of our community when they find they no longer are able to stay in their homes, we are pleased to work with this group.

With the initial contract for solid waste disposal expiring in August, we found new disposal rates to be significantly higher. This is due in part to lack of competition in the market. Our concerns relative to this apparent monopoly have been shared with DES and other state officials. For household waste, we saw disposal cost for the town increase from $43/ton to $65/ton, and demolition debris from $49/ton to $75/ton. An adjustment in fees is being contemplated. We look to address this soon after Town Meeting. With an engineering firm selected, design for final closure of the landfill is in progress. It appears that much of 2000 will be spent working through the approval process, with final closure expected in 2001.

On an interesting note, we were approached in early Spring of 1999 by representatives of the Northeast Primitive Rendezvous Association, who expressed interest in assembling on the flood control property for the purpose of creating a historical reenactment, involving upwards to 1,000 people from all over the United States, between May 20 and June 8, 2000. The scope is living history of the period 1740-1840, with events and activities tied to this period. Several days will be open to the public and schools. We believe this will be a very interesting opportunity for all of us.

We wish to thank those who give so much time and effort on behalf of the community. Whether it is serving on a town board or committee, or being involved in groups such as the senior housing initiative, or the open space preservation campaign, your efforts and hard work are very much appreciated. Your positive contributions add so much to our community. Finally, we wish to thank our dedicated town employees. Without their hard work, day to day functions of town government would not be accomplished.

Tom Salatiello, Chairman
Evelyn Auger
Kevin Roy

OFFICIAL BALLOT OF THE TOWN OF SANBORNTON
MARCH 09, 1999

Pursuant to the warrant for the 1999 Town Meeting, the Moderator, Donald Foudriat opened the polls at 7:00 AM on March 09, 1999. Of the 1694 registered voters, 38% took part in the election. A Total of 632 ballots were cast including absentees.

Town of Sanbornton
Recount of 1999 Election Results
State of New Hampshire
March 16, 1999

A recount was ordered for the position of Selectman (3 Year Term) and the Ballot Question. The Moderator, Donald P. Foudriat called the meeting to order at 4:00 PM, March 16, 1999 at the Town Office.

The Moderator acknowledged the applications for recount, filed by Kevin Roy, Guy Giunta, Jr. and Brian Gallagher on March 10, 1999.

Town Clerk, Jane Goss submitted copies of letter's mailed to all candidate's and petitioner's stating time and place of recount.

Results of recount are as follows:

Kevin W. Roy	**308**
William B. Tobin	306

Question on SB2

Yes	**338**	**No**	**236**

Total count of ballots 631. Final results was declared. The winner for 1999 Elections for the 3 year race of Selectman is **Kevin W. Roy** and the Question vote failed by 7 votes.

Meeting was adjourned at 5:15 PM.

Respectfully submitted,

Jane Goss

Jane Goss
Town Clerk

RESULTS OF THE VOTE ON QUESTIONS

Question 1.
Shall we adopt the provisions of RSA 40:13 to allow official ballot voting on all issues before the Town? By Petition.

YES 324 **NO 253**

3/5 vote was needed to pass. Failed by 23 votes.

RESULTS OF THE VOTE ON ZONING AMENDMENTS

Amendment #1
Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Define Elderly/Handicapped/Disabled Housing as the occupancy of units within a development which shall be limited to family units in which the head of household or spouse is at least 55 years old, or is handicapped or disabled, as defined by the federal government.

Yes 471 No 118

Amendment #2
Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend Article 4 and add Paragraph Q to permit Elderly/Handicapped/Disabled Housing as a permitted use in all Districts provided the housing meets certain standards.

Yes 463 No 121

Amendment #3
Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Relocate the "Description of the General Agricultural District" from Article 16 to Article 5 B. Relocate the "Description of the Forest Conservation District" from Article 16 to Article 7 B. No other amendments or additions are being made.

Yes 359 No 172

(Vote on Zoning Amendments continued)

Amendment #4
Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Relocate the "Description of the General Residence District" from Article 16 to Article 6 (5). Amend the description to correspond with the Zoning Map.

Yes 367 No 164

Amendment #5
Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Relocate the "Description of the Commercial District" and the "Amendments to the Commercial District" from Article 16 to Article 10 B & C respectively. Amend the "Description" and "Amendment" sections to describe the locations.

Yes 365 No 163

Amendment #6
Are you in favor of the adoption of Amendment No. 6 as proposed by petition for the Town Zoning Ordinance as follows:

Delete the Section of Article 6 (1), which prohibits manufactured homes in the General Residence District. Replace with the language to permit new models of manufactured homes provided they meet specific structural conditions.

A majority of the Planning Board approves of this amendment.

Yes 263 **No 327**

Amendment #7
Are you in favor of the adoption of Amendment No. 7 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Delete the section of Article 8 (2), which prohibits manufactured homes in the Recreational District. Replace with the language to permit new models of manufactured homes provided they meet specific structural conditions.

A majority of the Planning Board approves of this Amendment.

1999 Town Meeting Minutes
Town of Sanbornton
State of New Hampshire
March 10, 1999

The 1999 Town Meeting was called to order at 7:00 PM by the Moderator, Donald P. Foudriat. Voters were reminded to check with the Supervisors of the Checklist to obtain their voting card. A video taping disclaimer was addressed by the Moderate. The Moderator requested identification of any handicapped voters who may need assistance. Cub Scout Pack 282, Brownie Troop 639 and Junior Girl Scout Troop 2639, presented the colors under the guidance of Gloria Muraszko and Troop Leader, Erin Roark. Pledge of Allegiance was led by Spencer Klubben. The invocation was led by Pastor, Robert Fisher, Second Baptist Church. Introductions of Town Officials were made. Appointments of Assistant Moderators, Everett Joslyn, Bob Bodwell, Richard Gardner and Scott Taylor.

The following Presentation was made by Selectman, Tom Salatiello:

Dedication of the Town Report was made to Jean P. Auger, a long time resident of the Town for his many years of dedicated service. A Plaque was accepted in his honor by Evelyn Auger in Jean's absence.

Bill Tobin, gave a report on the Boston Post Cane, the holder of the cane at present is Clara Carlson, who passed away in February of this year. Bill also mentioned the passing of John Sheehan, a lifelong resident of Sanbornton.

The Moderator gave special recognition to other members of the community, who have passed away in 1998. Warren Wilson, Laurie Van Valkenburgh, Judith Perkins, and Earl Leighton, Sr. The Moderator then called for a moment of silence to remember all those residents who have passed on in 1998.

Election results were read by the Moderator.

Moderator's rules were then read.

An explanation of the Town Warrant was given by the Moderator.

Budget Committee Chairman Jim Wells, gave a summary on the 1999 Budget.

(Town Meeting Minutes continued)

Article 1. Long Term Bonds/Notes
To see if the Town will vote to raise and appropriate the sum of $148,000 for repair of Town buildings and facilities, and to authorize the issuance of not more than $148,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33), and to authorize the municipal officials to issue and negotiate such bonds or notes and to determined the rate of interest thereon. Repair projects include the Town Hall sills and foundation ($90,000), replacement of the Life-Safety Building roof ($48,000), and repair of the Highway Department salt shed ($10,000). *(2/3 ballot vote required.)*
Recommended by the Selectmen and the Budget Committee.

The following amendment was offered:
To see if the Town will vote to raise and appropriate the sum of $148,000 for repair of Town buildings and facilities, and to authorize the issuance of not more than $148,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33), and to authorize the municipal officials to issue and negotiate such bonds or notes and to determined the rate of interest thereon. Repair projects include the Town Hall sills and foundation ($95,000), replacement of the Life-Safety Building roof ($43,000), and repair of the Highway Department salt shed ($10,000). *(2/3 ballot vote required.)*

The amendment was Accepted.
Ballot box on bond issue was open for (1) hour per state law.

Article #1 as amended was accepted. (Ballot vote - Yes 153 No 63)

Motion was made to place Article #4 in the position of Article #2and all subsequent articles to follow in their original order.

Article 4. Petition Article
To see if the Town will vote to eliminate the full time position for a Planning and Zoning Assistant and return to subcontracting with Lakes Region Planning Commission for the Town's planning and zoning needs.
Not recommended by the Selectmen.

A petition was presented requesting a ballot vote with the required 5 signatures, it was seconded and so voted.
The following amendment was offered:
To see if the Town will vote eliminate the full time position for a Planning and Zoning Assistant and return to subcontracting with an appropriate planning consultant for our planning and zoning needs.

The amendment was Accepted.

Article #4 was renumbered to Article #2

(Town Meeting Minutes continued)

Article 2. Petition Article
To see if the Town will vote to raise and appropriate the sum of $450.00 to fund the purchase of a time clock and necessary supplies to be used by all non-elected official employees working at the Sanbornton Town office.
Not recommended by the Selectmen and the Budget Committee.

Article #2 was renumbered to Article #3

Article #3 was Defeated.

Article 3. Petition Article
To see if the Town will vote to rescind Article 2 of the 1998 Warrant Articles for the Town of Sanbornton for a full time Planning and Zoning Assistant, as proposed by the Sanbornton Board of Selectmen for the town and funded by account 4191.2 named Town Planning and Zoning Officer, said article having passed at the 1998 Sanbornton Town meeting and which read as follows:

> Article 2. Planning and Zoning Assistant
> To See if the Town will vote to raise and appropriate the sum of $10,000 to fund a town planning and zoning assistant who will work for the Town thirty-two (32) hours per week. The position will be funded by combining these funds with $22,267 currently budgeted for planning services contracted through the Lakes Region Planning Commission. Recommended by the Board of Selectmen. Not recommended by the Budget Committee. (1998 Article)

Not recommended by the Selectmen.

Article #3 was renumbered to Article #4

Motion to place Article #4 on the table, it was seconded.
Motion to withdraw

To see if the Town will vote to deposit up to $5,000. ***Annually*** of Land Use Change Tax revenue collected pursuant to RSA79-A to the Conservation Fund in accordance with RSA36-A:5 III as authorized by RSA 79-A:25 II. Funds to be used for Open Space preservation and securement of conservation easements.

Motion to withdraw, seconded.

The following amendment was offered:
To see if the Town will deposit on an annual basis, unless rescinded by the town vote, up to $5,000 of land use change tax revenues collected pursuant to RSA 79-A in the Conservation Fund, to be used solely for open space preservation purposes, in accordance with RSA 36-A:5 III as authorized by RSA 79-A:25II.

The amendment was Accepted.

Article #17 as amended was Accepted.

Motion to restrict reconsideration, it was seconded and so voted.

Article 23. Fire Truck
To see if the Town will raise and appropriate the sum of $155,000 for the purchase of a fire truck for the Sanbornton Fire Department, and the issuance of no more than $45,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33), and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to authorize the withdrawal of $110,000 from the Sanbornton Fire Department Capital Reserve Fund which was established for this purpose.
Recommended by the Selectmen and the Budget Committee.

Article #23 was Accepted as read.

Motion to restrict reconsideration of Article #23 and all previous articles, it was seconded and so voted.

Article 24. Underground Fuel Storage Tank Cleanup
To see if the Town will vote to raise and appropriate the sum of $14,000 for continued site investigation and clean up at the Sanbornton Highway Garage in connection with the removal of the underground fuel storage tank. ($7,028 was expended in 1998. As a qualified site under the NH Petroleum Reimbursement Fund, the town will be reimbursed for all expenses, subject to a $5,000 deductible. $16,000 reimbursement is expected in 1999.)
Recommended by the Selectmen and the Budget Committee.

Article #24 was Accepted as read.

(Town Meeting Minutes continued)

Article 25. Landfill Closure
To see if the town will vote to raise and appropriate the sum of $50,000 for engineering studies for the purpose of finalizing closure of the Sanbornton Municipal Landfill, and to authorize the withdrawal of $50,000 from the Sanitary Landfill Capital Reserve Fund, which was established for this purpose.
Recommended by the Selectmen and the Budget Committee.

Article #25 was Accepted as read.

Article 26. Payments to Capital Reserve Accounts
To see if the Town will vote to raise and appropriate the sum of $65,000 for placement in the capital reserve accounts.

Building Improvement Capital Reserve	$25,000
Heavy Equipment Capital Reserve	25,000
Rescue Vehicle Capital Reserve	5,000
Repair and Refurbishing Capital Reserve	5,000
Roads and Bridges Capital Reserve	5,000
	$65,000

Recommended by the Selectmen and the Budget Committee.

Article #26 was Accepted as read.

Article 27. Sanbornton Fire Department Radio Capital Reserve
To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of replacing Sanbornton Fire Department radios and to raise and appropriate the sum of $5,000 to be placed in this fund.
Recommended by the Selectmen and the Budget Committee.

Article #27 was Accepted as read.

Article 28. Winnisquam Fire Department Radio Capital Reserve
To see if the town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of replacing Winnisquam Fire Department radios and to raise and appropriate the sum of $2,500 to be placed in this fund.
Recommended by the Selectmen and the Budget Committee.

Article #28 was Accepted as read.

(Town Meeting Minutes continued)

Article 29. Winnisquam Fire Department Capital Reserve for Ambulance Replacement

To see if the town will vote to establish a Capital Reserve Fund under the provisions of RSA 31:1 for the purpose of replacement of the Winnisquam Fire Department ambulance, and to raise and appropriate the sum of $10,000 to be placed in this fund.

Recommended by the Selectmen and the Budget Committee.

After some discussion, the conclusion was drawn that RSA 31:1 should be RSA 35:1 and was a typographical error.

Article #29 was Accepted as read.

Article 30. Special Revenue Fund

Shall we adopt the provisions of RSA 31:95-c to restrict all revenues from ambulance billing to expenditures for the purpose of replacement of the ambulance or ambulance equipment, when needed. Such revenue and expenditures shall be accounted for in a special revenue fund to be known as the Ambulance and Ambulance Equipment Replacement Fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote by the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of the revenue.

Recommended by the Board of Selectmen.

Article #30 was Accepted as read.

Motion to restrict reconsideration of Article #30, it was seconded and so voted.

Article 31. Report of Budget Committee

To receive the report of the Budget Committee of appropriations voted.

Chairman of the Budget Committee, Jim Wells reported the following: the current number is $2,237,792 which is $4,016 less than what Budget Committee recommended.

(Town Meeting Minutes continued)

Article 32. Other Business
To transact such other business as may legally come before the Town Meeting.

Moderator, Don Foudriat thanked the Legislative body for the cooperation during the couple of long sessions that every endured.

No other business was brought before the meeting and a motion to adjourn was approved at 9:10 PM.

Respectfully submitted,

Jane Goss

Remitted to Treasurer	**$354,780.71**

Remember to license your dog by April 30th to avoid any penalties. Delinquency notices will be sent out in the first or second week of June.

Taxpayers should be advised about our pre-payment discount program. Pay your 2000 property taxes between April 1, 2000 and August 15, 2000 and receive a discount on your 2000 annual property tax bill. Please call the tax collector's office for details.

Our 1998 Annual Town Report received first place in the Municipal Association Contest. The entire office staff along with the various boards and committee's worked very hard to make our town report interesting and informative, we look forward to next year.

We invite everyone to come in and see our newly painted offices. The office staff pitched in along with some outside help and we have a new fresh look.

I am happy to report the town office's had no Y2K problems.

WE LOOK FORWARD TO A GREAT NEW MILLENNIUM!!!!!!!!!!!

Respectfully submitted,

Jane Goss

INDEPENDENT AUDITOR'S REPORT

PLODZIK & SANDERSON
Professional Association/Accountants & Auditors
193 North Main Street • Concord • New Hampshire • 03301-5063 • 603-225-6996 • FAX-224-1380

INDEPENDENT AUDITOR'S REPORT

To the Members of the
Board of Selectmen
Town of Sanbornton
Sanbornton, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Sanbornton as of and for the year ended December 31, 1999 as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Town of Sanbornton has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Sanbornton as of December 31, 1999, and the results of its operations and the cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

The Unaudited Supplementary Information on page 22 is not a required part of the basic financial statements but is supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the supplementary information. However, we did not audit the information and do not express an opinion on it. In addition, we do not provide assurance that the Town of Sanbornton is or will become year 2000 compliant, the Town of Sanbornton's year 2000 remediation efforts will be successful in whole or in part, or that parties with which the Town of Sanbornton does business are or will become year 2000 compliant.

(Independent Auditor continued)

Town of Sanbornton
Independent Auditor's Report

Our audit was made for the purpose of forming an opinion on the general purpose financial statements of the Town of Sanbornton taken as a whole. The combining and individual fund financial statements listed as schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Sanbornton. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

January 28, 2000

Town of Sanbornton, New Hampshire

Warrant

The polls will be open from 7:00 a.m. to 7:00 p.m.

To the Inhabitants of the Town of Sanbornton in the County of Belknap in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Sanbornton on Tuesday, the Fourteenth day of March, in the year Two Thousand, to act on the following subjects:

1. To choose all necessary Town Officers for the ensuing year.

2. To choose all necessary District Officers for the Winnisquam Regional School District.

3. To vote on the following Questions:

Question #1
Shall we adopt the provisions of RSA 466:30-a which make it unlawful for any dog to run at large, except when accompanied by the owner or custodian, and when used for hunting, herding, supervised competition and exhibition or training for such?

Question #2
Shall we adopt the provisions of RSA 40:13 (known as SB 2) to allow official ballot voting on all issues before the (local political subdivision)? By Petition.

4. To Vote on the following proposed amendments to the Town Zoning Ordinance:

Amendment #1
Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend Article 4 and add Paragraph R to allow Child Day Care Facilities as a permitted use in all Districts provided certain standards are met. This amendment also provides several exemptions that would not require Planning Board Site Plan approval.

Amendment #2
Are you in favor of adoption of Amendment No. 2 as proposed by the Planning Board for the Town Zoning Ordinance as follows:
Amend Article 3 and add the definition for **Outdoor Recreational Facility.** An Outdoor Recreational Facility shall be for passive outdoor recreational activities (such as cross country and equestrian pursuits). The use of a closed track or course needed for motorized vehicles will not be permitted as an outdoor recreational facility.

Amendment #3
Are you in favor of adoption of Amendment No. 3 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend Article 18 and add a subsection under Paragraph B to permit an Outdoor Recreational Facility in all districts subject to site plan approval by the Planning Board.

Amendment #4
Are you in favor of adoption of Amendment No. 4 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Delete Article 18 Paragraph (1)(a-e) and Article 3 Paragraph 9. Amend Article 4 and add Paragraph S entitled Home Occupation. This amendment proposes to allow Home Occupation as a permitted use in all Districts. Two levels of Home Occupation are proposed. Level One Home Occupation does not require Planning Board site plan review provided several conditions are met. Level Two Home Occupation will require Planning Board site plan review.

Amendment #5
Are you in favor of adoption of Amendment No. 5 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend Article 4 and add Paragraph T entitled Open Space Zoning. Open Space Zoning is proposed as an optional alternative to a conventional subdivision. Open Space Zoning is proposed to meet the goal(s) of permanently protecting open space and allowing a flexible lot layout design exclusively for single family housing. Open space standards, lot density, road frontage, and acreage dimensions have been outlined.

Amendment #6
Are you in favor of adoption of Amendment No. 6 as proposed by petition for the Town Zoning Ordinance as follows:

Repeal Article 11 Paragraph B Section 1 and amend Article 11 Paragraph C. Amend the Zoning Map by eliminating the "Highway Commercial" designation from Tax Map 21 Lot 6 (a 13-acre parcel located at the junction of Johnson Road and Route 127). This area shall be included as part of the "Agricultural District" which abuts it. The Planning Board approves of this amendment.

Amendment #7
Are you in favor of adoption of Amendment No. 7 as proposed by petition for the Town Zoning Ordinance as follows:

Repeal Article 11 Paragraph B Section 3 and amend Article 11 Paragraph C to amend the Zoning Map by eliminating the "Highway Commercial" designation from Tax Map 21 Lot 21 (3-acre parcel located at the Junction of Burleigh Hill Road and Route 127). This area shall be included as part of the "General Residential District" which abuts it. The Planning Board approves of this amendment.

You are hereby notified to meet at the Sanbornton Central School in said Sanbornton on Wednesday, the Fifteenth day of March next at seven of the clock in the evening (7:00 p.m.) to act upon the following subjects:

Article 1.
To see if the Town will vote to authorize the Selectmen as agents of the Town to convey, for the sum of One Dollar ($1.00), all or a portion of certain Town Property located on Lower Bay Road and Dr. True Road, shown on Tax Map 11 as Parcel 71, containing 56.12 acres, to a not for profit corporation known as Sanbornton Senior Housing Corporation, Inc., for use as a site for senior housing, at such time as the Selectmen determine that such corporation is reasonably able to construct a senior housing project on said property and upon such terms, conditions, and restrictions as the Selectmen deem reasonable, including a right of reversion of title to the Town in the event the property ceases to be used for senior housing. Recommended by the Board of Selectmen.

Article 2.
To see if the Town will vote to send the following resolution to the New Hampshire General Court: Resolved, New Hampshire's natural, cultural and historic resources in Sanbornton and throughout the state are worthy of protection and, therefore, the state of New Hampshire should establish and fund a permanent public/private partnership for the voluntary conservation of these important resources. Recommended by the Board of Selectmen.

Article 3.
To see if the Town will vote to accept the Sanbornton Fire Department, Inc. as the Town of Sanbornton Fire Department, as defined under RSA 154:1. Recommended by the Board of Selectmen.

Article 4.
To see if the town will vote to discontinue Vacation Drive, off Circle Point Road. Recommended by the Board of Selectmen.

Article 5.
To see if the Town will vote to raise and appropriate the sum of $100,000 as the town's portion of Phase One of improvements to Steele Hill Road under the State Aid Highway Program. Said town appropriation will be offset by donation of $33,333 from Steele Hill Resort. (This is the first of a three-phase plan to reconstruct Steele Hill Road, a class II state road. Work to be done by NH DOT. Under the 2:1 match program, NH DOT will contribute $200,000 towards Phase One of the project. The three year project is estimated at $900,000.) Recommended by the Board of Selectmen and the Budget Committee.

Article 6.
To see if the Town will vote to name the Board of Selectmen as disbursing agents for the Roads and Bridges Capital Reserve Account. Recommended by the Board of Selectmen.

Article 7.
To see if the Town will vote to explore establishment of a Town Cemetery on Pound Road, shown on Tax Map 21, parcel number 46, containing thirteen (13) acres, and to raise and appropriate the sum of $3,000 for initial development of the cemetery. Recommended by the Board of Selectmen and the Budget Committee.

Article 8.
To see if the Town will vote to raise and appropriate the sum of not more than $15,000 for the purpose of paving a portion of Hunkins Pond Road. Said paving to follow reconstruction of 550 feet of Hunkins Pond Road. (Reconstruction to be done by private contractor.) Not recommended by the Board of Selectmen and the Budget Committee.

Article 9.
To see if the Town will vote to raise and appropriate the sum of $59,282 for the purchase of a new truck for the highway department, and vote to withdraw the amount of $53,082 from the Heavy Equipment Capital Reserve Fund for this purpose. Said expenditure will be offset by $6,200 in trade for an existing vehicle. Recommended by the Board of Selectmen and the Budget Committee.

Article 10.
To see if the town will vote to raise and appropriate the sum of $47,488 for the purchase of two police cruisers for the Police Department. Said appropriation is to be offset by insurance receipts of $15,100. Recommended by the Board of Selectmen and the Budget Committee.

Article 11.
To see if the town will vote to authorize the selectmen to enter into a two year lease-purchase agreement for the purpose of purchasing a 4-wheel drive cruiser for the police department, and to raise and appropriate the sum of $15,684 for the first year payment. Recommended by the Board of Selectmen and the Budget Committee.

Article 12.
To see if the Town will vote to raise and appropriate the sum of $20,000 for the Winnisquam Fire Department for the purpose of purchasing a new ambulance and to authorize the withdrawal of $10,000 from the Winnisquam Fire Department Capital Reserve Fund for this purpose. The remainder, $10,000, will be raised by taxation. Recommended by the Board of Selectmen and the Budget Committee.

Article 13.
To see if the Town will vote to raise and appropriate the sum of $8,375 for the Winnisquam Fire Department for the purpose of purchasing of radios and pagers, and to authorize the withdrawal of $2,500 from the Winnisquam Fire Department Radio Capital Reserve Fund, established for this purpose. The remainder, $5,875, will be raised through taxation. Recommended by the Board of Selectmen and the Budget Committee.

Article 14.
To see if the Town will vote to approve the issuance of not more than $45,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) for the purpose of funding through long term debt the purchase of a new fire truck for the Sanbornton Fire Department. ($155,000 for the purchase of the fire truck was authorized by the 1999 Town Meeting, $110,000 to be withdrawn from the

Article 18.
To see what sum the Town will vote to raise and appropriate for public safety. The Board of Selectmen recommend $392,225. The Budget Committee recommends $391,575.

CRF Sanbornton Fire Dept. Radios	10,000	10,000
	$66,500	$69,000

Article 22.
To see if the Town will vote to repeal Article 21 which passed at the annual meeting of March 15, 1995, and provides for a discount of the portion of property taxes paid after April 1, but before August 15. The purpose of this Article is to revoke any discount for prepayment of taxes. Recommended by the Town Clerk-Tax Collector.

Article 23.
To see if the Town will vote to tape record all Selectmen's meetings. By Petition.

Article 24.
To transact such other business as may legally come before the Town Meeting.

Given under our hands and seal this twenty-eighth day of February, Two Thousand.

Tom Salatiello, Chairman

Evelyn Auger

Selectmen of Sanbornton

Kevin Roy

NOTES

TAX RATE COMPUTATION FOR 1999

		TOTALS	TAX RATE
Town Portion:			
Appropriations	$2,247.782		
Less: Revenues	1,340,168		
Less: Shared Revenues	8,497		
Add: Overlay	12,906		
Add: War Service Credits	20,500		
Net Town Appropriation		$ 932,523	
Municipal Tax Rate			$5.13
School Portion:			
Due to Local School	$ 0		
Due to Regional School	2,785,433		
Less: Adequate Education Grant	399,845		
Less: State Education Taxes	1,177,167

All Other Taxes	181,520,504	13.71	2,488,970
			3,666,137

TRUSTEES OF TRUST FUNDS REPORT

The Trustees held regular meetings about every month throughout the year. The financial report shows a reasonable growth for the year.

The board awarded several scholarships to local students requesting assistance. We would also remind other students going on to higher schools of learning that the town trust funds have monies available to help pay for classes and or books. The application process is relatively simple.

This year the board of trustees was able to pass on some earned interest to the Churches in town from some of the trust funds established for this purpose.

The board was pleased to help the Veterans Memorial Committee establish a new trust fund for the "Veterans Memorial Fund" with the balance of the generous donations from citizens.

The Old Graveyards and Cemeteries Committee reported an active year of mowing and trimming cemeteries in town; their services were paid for from established trust funds.

The board members would like to thank Ed LeBel for preparing the following spreadsheet on trust funds earnings, and others who have assisted the board throughout the year.

Wayne Elliott, Chairman
Edwin LeBel, Treasurer
Daryl Woods, Secretary

(Trustees of Trust Funds continued)

BUILDING NEEDS/TOWN PARK COMMITTEE REPORT

The Committee's purpose is the maintenance and care of Town properties and buildings. This is accomplished with the help of many Town's people. For everyone who helped, we thank you.

We wrote up bid speculations for the salt shed repair and a new roof for the Life Safety Building. The bids came in under budget and were completed by a local contractor.

At present time we did not do the Town Hall because we are trying to come up with a plan for a septic system for the Town Hall and Library. The Church is working with us to find a solution.

Anyone interested in helping is always welcome.

Respectfully submitted,
Wayne S. Elliott
Chairman

BUILDING PERMIT SUMMARY

In 1998, the total number of building permits approved was 81. There were 17 filed for new homes (1 renewal) and 2 for mobile homes. The following table represents the number of building permits filed for 1999 and the type.

PROJECT TYPE	NUMBER
Accessory (such as shed, garage, barn)	48 (1 renewal)
Addition (such as porch, living space)	22
Repairs (repair of existing structure)	2
Demolish (remove structure)	1
Replacement (total replacement)	6
Home (new residence)	25 (2 renewals)
Mobile Home (new residence)	7
Elderly housing	1
	112 approved

Respectfully submitted,
Kathleen Surowiec
Town Planner

CONSERVATION COMMISSION REPORT

As a Commission we review Wetlands permits before they go to Department of Environmental Services in Concord. For most permits we do onsite reviews.

We review Town owned properties for the purpose of future use and/or timber sales.

We work with the Belknap County Conservation District. We are always willing to work with anyone or group that is trying to save our natural resources.

The Conservation Commission meets on the second Thursday of each month at 7:00 pm at the Town Office. Everyone is welcome.

Respectfully submitted,
Wayne Elliott
Chairman

ENHANCED 911 REPORT

1999 saw the construction of thirty-one new homes in Sanbornton. All were issued address numbers by this office. Two hundred and thirteen changes of residents were recorded, all of which are listed for emergency response by fire and police. Coordination is also maintained with Bell Atlantic to provide emergency information for local dispatchers.

Your help in identifying your residents by posting your correct address at the principal entrance to your property is a great benefit to you in the time of need, and to the emergency responders who will come to your request for help.

Please contact the town office or myself if you need help or information regarding the posting of street numbers.

Stan Barnes
E-911 Coordinator

FIRE DEPARTMENT REPORT

The Sanbornton Fire Department responded to a total of 226 calls for assistance. 85 of these calls were fires, 81 calls were for medical aid, 44 were for motor vehicle accidents, and 16 were service calls.

Once again this year our Fire Prevention Team, with Lt. Scott Taylor and Capt. Craig Simpson visited various schools in town explaining the importance of fire safety to students and faculty alike. Lt. Taylor, Capt. Simpson as well as Firefighter/EMT-I, Chris Hurd, also presented a fire extinguisher class to the faculty at the Sanbornton Elementary School.

Through the hard work of Capt. Stan Barnes, Lt. Mark Foster, as well as Road Agent, Ralph Carter, a survey of the town was undertaken to determine the damage and fire load resulting from the 1998 Ice Storm. Because of their hard work, grant money was made available through FEMA to purchase much needed forestry and communication equipment.

Many projects were undertaken this year. These endeavors include: purchasing a new chassis for our tank truck; the purchase of a new tank and pump for our six wheel drive forestry truck; specifications and bids were sent out for the purchase of a fire truck to replace Engine 1 and finally, we held an open house.

BUDGET

The Town appropriated	$55,210.00
This year the Department spent	53,693.00
For a surplus of	1,517.00

We need your help. Please make sure that your residence is clearly marked with your assigned number. Time is critical in an emergency.

Volunteerism is in decline across the nation, unfortunately this problem effects our town as well. If you would like to help your neighbor and town, please visit the fire department on any Monday night and talk with us. We have many different jobs available.

Many thanks go out to all the members of the Sanbornton Fire Department for all of the hard work and many hours spent helping their neighbors and town. Many thanks also go out to the Sanbornton Police Department and the Highway Department for their continued cooperation and assistance.

Respectfully submitted,
Jon Sanborn
Fire Chief

FOREST FIRE WARDEN & STATE FOREST RANGER'S REPORT

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing ANY outside burning. Fire permits are required for any open burning unless the ground is completely covered with snow where the burning will be done. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to $2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are eleven Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. During the 1999 season Forest Rangers were busy assisting communities with suppression of difficult and remote multi-day fires. Forest Rangers have also investigated numerous complaints regarding violations of the timber harvest and forest fire laws, and taken enforcement action to ensure compliance. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217.

There are 2,400 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with suppression, prevention, and law enforcement. The 1999 fire season was a challenging but safe year for wildland firefighters in New Hampshire. The severe drought conditions throughout the spring and summer months combined with residual effects of 1998 Ice Storm, resulted in a dramatic increase in wildland fires. In addition to burning in excess of 452 acres, 35 structures were also impacted by wildfire. Wildland fires in the urban interface is a serious concern for both landowners and firefighters. Homeowners can help protect their structures by maintaining adequate green space around them and making sure that houses are properly identified with street numbers.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments. This is a critical factor in controlling the size of wildland fires and keeping the loss of property and suppression costs as low as possible.

Please contact your local fire department before doing **ANY** outside burning.

REMEMBER ONLY YOU CAN PREVENT FOREST FIRES!!!

Respectfully submitted,
Jon B. Sanborn
Forest Fire Warden - Town of Sanbornton

(Forest Fire Warden/Forest Ranger continued)

1999 FIRE STATISTICS

(All fires reported through December 10, 1999)

HIGHWAY SAFETY-TRANSPORTATION ADVISORY COMMITTEE REPORT

The Sanbornton Highway Safety Committee dealt with several issues in 1999. Included were issues such as school safety concerns at the central school, several issues concerning the safety of intersections in town, as well as assisting many people with such things as blind driveways and school bus stops. The committee also has been conducting traffic surveys throughout town with counters purchased by highway safety and monitored by the Police Department.

The Highway Safety Committee meets on the fourth Thursday of each month and we are looking for people to sit on the committee. Please call the town office if you can help us out.

Respectfully yours,
Richard Robinson
Chief of Police
Highway Safety Committee

HISTORIC DISTRICT COMMISSION REPORT

As the new millennium dawns, the Historic District Commission has been busy preserving the past. Review of new construction, revision of guidelines, and cleaning up the Town Pound have been the major projects the Commission has tackled in the past year.

There have been two houses constructed in the Historic District during 1999. The Commission approved plans for the Ward residence in 1998, however, construction did not begin until the summer of 1999. Also built in 1999 was the Sargent residence across from the Town Offices.

Thanks to Bob Bodwell, Don Kent, Tom Kuhner, and Charlie Comerford for volunteering a day in October to clear some brush out of the historic Town Pound. A sign will be erected in the spring marking the site. The Town Pound is in remarkable good condition and is worth a visit.

Another ongoing project has been the revision of the Historic District Commission guidelines. While few major changes are being proposed, the guidelines will soon better address modern construction issues and revise outdated information regarding the Historic District.

Proposed projects for 2000 include updating a photo library of the structures within the Historic District. Also, the Commission plans to gather publications that guide in the rehabilitation and restoration of historic buildings and the construction of new buildings in historic districts.

Respectfully submitted,
Karen Bartlett - Chairperson
Tom Kuhner - Vice Chairperson
Brian O'Connor - Secretary
Priscilla Bodwell
Don Kent
Charlie Comerford (has since resigned from position)
Phil Bodwell - Alternate
Linda Salatiello - Alternate
Tom Salatiello - Selectmen Representative

OFFICE OF EMERGENCY MANAGEMENT

1999 was a rather quiet year for the Office of Emergency Management compared to 1998. We did not have the major ice storm to contend with as we did in 1998. No big weather related incidents arose. Two earth tremors were felt in the local area this past fall, both registering less than 2.5 and causing no damage. Training and working with the Sanbornton Central School to produce a "Safe School Policy" were items that occupied the greatest amount of time. Monthly meetings with the safe school committee have produced a policy for the safety of our children while at school and on the busses.

Y2K was of much concern throughout the year. Pre-planning for Y2K was started in March and continued through December with the emphasis on preparing for a major winter storm. All of the same characteristics apply. Thanks to those community members who took part in the preparation and supplied so much information. Bruce Kneuer and Jim Cluett were the underlying figures who provided me with assistance. If the worst were to have happened, we in Sanbornton were ready to handle it. The Fire, Police and Highway Departments are always ready to respond to any and all emergencies. This was proven in December when a propane tank truck overturned on Pound Road. The quick response and evacuation of the area would have saved lives if the situation had taken a turn for the worst.

Please contact me a 286-7720 or 286-4819 if you have any questions regarding The Office of Emergency Management or would like to be a member of the Local Emergency Planning Committee.

Stan Barnes
Emergency Management Director

OLD GRAVEYARDS AND CEMETERIES COMMITTEE REPORT

The new Cemetery Committee was formed in August with the following members: Peter F. Hibberd - Chairman, Millie Shaw, Robert Bodwell, Sally Hibberd, Evelyn Auger - Selectmen Representative.

The Committee has three goals:

1) To record all known graveyards and headstone information.
2) To show all graveyards and cemeteries on a map of the town(s).
3) To find a possible site for a Sanbornton Town Cemetery.

1a) Graveyard status thus far..

to be found and researched.....129
with headstone information already listed 64
with site & grave location plans completed.....26
with grave numbers assigned 26
verified for location and recorded information 39
recorded with a USGA map reference 40
recorded with a GPS satellite reference 31
Headstone information recorded 1,827

2a) GRAVEYARDS..

locations recorded on a map of the Town(s) 111

3a) A possible location for a Town Cemetery has been located. The next step in process is for the Conservation Committee to review the land and make recommendations.

In total there are:
Graveyards in Sanbornton (existing town boundaries) 66
Graveyards in Tilton, (old Sanbornton) 12
Graveyards in Franklin, (old Sanbornton) 6
Moved from floodplains to Hill & Franklin 2
Other "Pasture" Graveyards 43
TOTAL GRAVEYARDS TO BE CONSIDERED 129

I thank the committee members for their efforts in adding to the information I had already placed on file, and hope that the Town, Budget Committee and residents will support this Committee for the coming year.

"IF WE DO NOT PUT IN THE TIME, MONEY AND EFFORT NOW, THIS IMPORTANT PART OF OUR HISTORY WILL BE GONE FOREVER".

VOLUNTEERS ARE VERY WELCOME TO ASSIST THIS IMPORTANT PROJECT. ANYONE INTERESTED PLEASE CONTACT THE COMMITTEE THROUGH YOUR TOWN OFFICE.

Respectfully submitted,
Peter F. Hibberd

TRUSTEE OF GRAVEYARDS AND CEMETERIES REPORT

This year was the first full year that I have served as the person responsible for the upkeep of the graveyards. The following statistics, indicate the activities that have occurred under the effort to maintain the graveyards of Sanbornton.

Activity	Total	Gravesites
Checked for tidiness	81	1,517
Cleared of branches/small trees	37	733
Mowed/weed-wacked	41	810
Total man-hours spent	150+	1,517
Average cost per gravesite	$1.31	

Some of the graveyards have been mowed up to six times during the year to keep them tidy. Also, there are still many graveyards that I have either not found, (mainly due to time constraints), or which are totally overgrown with large trees. These overgrown sites, have been referred to the Cemetery/Graveyard Committee who will budget funds to clear these over the next year or so.

My thanks again to Millie Shaw and Peter Hibberd who have helped me in increasing the number of gravesites tended this year.

I encourage anyone who wants to "adopt a graveyard" to contact me.

Respectfully submitted,
Sally D. Hibberd

PLANNING BOARD REPORT

In March 1999, the town passed two zoning amendments allowing elderly housing as a permitted use in all Zoning Districts (subject to certain conditions). Elderly housing is a clustering of dwellings on a single lot with a majority of land left as open space. This amendment for elderly housing brings Sanbornton into conformance with the State Statute, which states "opportunities for such housing should not be prohibited or discouraged". Three amendments codifying several sections of the zoning ordinance also passed. The two amendments, which would have allowed new models of mobile homes in the Recreational and General Residential Districts, failed to pass.

In May 1999, the Planning Board mailed a community survey requesting input on issues such as commercial development and protecting resource areas. The Board sent 1863 surveys to property owners. After discarding post office returns, the number of 1792 surveys was used as total mailed and received. Out of that total, 649 surveys were returned with responses. This is a response rate of 36.2%! Most surveys only generate a 5 to 10% response rate; therefore the Board was pleased with the feedback. The following is a summary of the majority responses:

Question	Response (Only Majority Listed)	
1. *Where do you go for commercial services*	Tilton	(84%)
	Laconia	(83%)
2. *What businesses would you like?*	Bed & Breakfast	(71%)
	Specialty Shops	(64%)
	Restaurants	(54%)
	Bakery/deli	(52%)
3. *What development should be encouraged.*	Day Care Facilities	(67%)
	Elderly Housing	(67%)
	Home Industry	(63%)
	Outdoor Recreational Facility	(61%)
4. *Should the following Commercial* Design Standards be considered?	Buffer areas	(91%)
	Architectural design standards	(59%)
	Noise control	(76%)
	Light control	(67%)
	Parking Lot standards	(62%)
5. *Where should development be encouraged?*	**There was not an overwhelming majority for this question.**	
	On Route 132 toward Tilton	(38%)
	On Route 127 toward Franklin	(37%)
6. *Should we make changes to the* Highway Commercial district?	**There was not an overwhelming majority for this question.**	
	Maintain District, as is	(46%)
	Expand District	(23%)

(Planning Board continued)

Question	Response (Only Majority Listed)
7. Would you support protecting?	Historic Buildings (90%) Scenic Views (91%) Contiguous forestland (84%) Agricultural Land (84%) Working Farms (89%) Trails (87%)
8. Would you support the following protection methods?	State and Federal Funding (68%) Non-Profit Land Trust (62%) Agricultural Overlay District (52%)
The following were demographic questions, used for statistical analysis This was an optional section and not all responded to these questions.	
9. How large is your residential property in Sanbornton?	6 or less acres (70%) over 6 acres (30%)
10. Do you own additional acreage?	6 or less acres (33%) over 6 acres (44%) other (i.e. condo) (21%)
11. Age	40 years or less (26%) 41 to 55 years (39%) over 55 years (35%)
12. Current residential status	Year round property owner (71%) Summer resident (12%) Non-resident property owner (16%)
13. Highest education attained	High School or less (28%) College Degree (46%) Graduate School (26%)
14. Gross Annual Income for respondent	Less than $25,000 (19%) $25,000 to $49,000 (43%) over $50,000 (38%)
15. Community where household members work.	Sanbornton (16%) Lakes Region Towns (28%) Other N H Towns (34%) Out of State (22%)
16. Employment Status	Homemaker (5%) Retired (26%) Full Time (58%) Part Time (10%) Unemployed or student (1%)
17. How long lived in Sanbornton?	Year-Round or Seasonal < 1 year (4%) (3%) 1 to 4 years (15%) (15%) 5 to 10 years (17%) (17%) 11 to 20 years (28%) (25%) > 20 years (36%) (40%)

(Planning Board continued)

The previous table is only a summary, if you are interested in a full copy of the results, please contact the Town Planner at 286-8303.

As a result of the survey, the Board drafted several proposed zoning amendments for the March 2000 ballet. The following is a brief summary of the proposed zoning amendments:

- Proposal to allow Child Day Care Facilities as a permitted use in all Districts and consistent with NH Day Care Licensing state law. Currently, day care facilities are not listed as a permitted use. This amendment provides conditions for proposed facilities and also allows certain exemptions to the Planning Board site plan review. *(Note 67% of the survey respondents supported the development of day care facilities.)*

- Proposal to allow an outdoor recreational facility as a special exception by the Zoning Board of Adjustment and with site plan review from the Planning Board. An outdoor recreational facility would be a place designed for outdoor activities (such as cross country skiing and equestrian pursuits) provided the activity would not require the use of a closed track or course for motorized vehicles. *(Note, 61% of the survey respondents supported the development of outdoor recreational business.)*

- Proposal to allow home occupation as a permitted use in all Districts. Home Occupation is broken down into two levels. Level one Home Occupation does not require any approvals provided several conditions are met. Level two Home Occupation will require only Planning Board site plan approval. *(Note, 63% of the survey respondents supported the development of Home Occupation.)*

- Proposal to provide an optional alternative to the conventional subdivision. This proposal is entitled "Open Space Zoning". Open Space Zoning is proposed to meet the goal of permanently protecting open space and allowing a flexible lot layout design for single family housing. Typically, lots created under conventional subdivision are 1.5 to 3 acres, and future use of these lots for activities such as farming and forestry is compromised. Open Space Zoning allows the same number of lots as a conventional subdivision, but the open space remaining (50% area of original parcel) may be used for future conservation, agriculture, or forestry by anyone who purchases the open space lot. *(Note, over 85% of the survey respondents supported protecting various resource areas.)*

- Two zoning amendments have been filed by petition. These two amendments propose to eliminate the Highway Commercial Designation from a 13 acre parcel on Johnson Road (Tax Map 21 Lot 6) and a 3 acre

(Planning Board continued)

parcel on Burleigh Hill Road (Tax Map 21 Lot 21). The 13-acre parcel is proposed to become part of the Agricultural District. The 3-acre parcel is proposed to become part of the General Residential District.

Please take the time to vote on these zoning amendments at the March 2000 election.

In 2000, the Planning Board is looking to start the Master Plan update. The Board has proposed, in their 2000 budget, conducting a Community Profile. A community profile is an alternative interactive method of looking at Sanbornton today and developing a plan for the future. The Board is required to keep their Master Plan updated. The last update was started in 1990 and finalized in 1995. The Planning Board is considering the Community Profile as an alternative process to the standard generation of seldom read, lengthy Master Plan report. The Community Profile process is suppose to generate more community involvement, whereas the report is typically written by a consultant.

The following is a listing of the 1999 subdivisions, boundary line adjustments and site plans.

NAME/LOCATION	PROJECT	TAX MAP/LOT #
Morrisette/Lower Bay Road	Boundary Line Adjustment	17.58 & 60
Johnston/Hale Road	3-lot subdivision	9.73-1
Grumbling/Black Brook Road	8-lot subdivision	5.20
Williams/Pound Road	Merger	26.2 & 3 & 4
Roy/Gulf Road	Site Plan Amendment	26.68-1
Blue Sky/Hunkins Pond Road	2-lot subdivision	23.7
Gage-O'Neil/Normandin Rd	Boundary Line Adjustment	12.127 – 130
Smith/Oak Hill Road	2 lot subdivision	4.46
French-Ames & Rotonnelli	Boundary Line Adjustment	24.22 & 53
French- Ames/Route 3	Site Plan Amendment	24.22
Rotonnelli/Route 3	Site Plan Amendment	24.53
Lunt/Pound Road	2 lot subdivision	21.61
FTG Limited/Lower Bay Road	Boundary Line Adjustment	18.34 & 34-1
Girardin/Upper Bay Road	2 lot subdivision	16.10
Phelps/Perley Hill Road	Boundary Line Adjustment	21.14 & 22.1
Lunt/Burleigh Hill Road	2 lot subdivision	21.61
Surowiec Farm/Route 132	5 lot subdivision	15.91

POLICE DEPARTMENT REPORT

The year 1999 was a busy one for the Sanbornton Police Department. The Department answered over 3200 calls for service and made over 400 arrests.

I would like to advise everyone that we are going to be sponsoring a firearms safety program in the spring and are looking for input from people who may be interested. I would also like to remind everyone of our call program for residents that live alone as well as our highly recommended child find program, please call the station for details.

I would as always like to thank the employees of the Department for their dedication to service as well as the surrounding police departments for their much needed assistance.

Please visit our web site at **WWW.SANBORNTONPOLICE.ORG**.

Respectfully yours,
Richard W. Robinson
Chief of Police

PUBLIC WELFARE DEPARTMENT REPORT

In 1999, the Public Welfare Department has assisted fifteen families in Sanbornton. Help consisted of fuel, rent/mortgage, utilities and food expenditures. Sixty-three vouchers were written to assist these families in need with the total expensed of $15,552.32.

Families also took advantage of the Tilton-Northfield-Sanbornton Fund, the Crisis Reserve Fund, and the Sanbornton Bay Homemakers.

The total reimbursement to the Town for assistance totaled $7,997.00.

Welfare has seen some changes this year. Jane Shattuck Fox, who had been appointed to fill out Dolly Elliott's term, served until the end of March. Jackie Churchill, elected Overseer in 1999, was unable to take office and the selectmen assumed the duties until Joanne Boyce was appointed in May.

Respectfully submitted,
Joanne Boyce
Office of the Overseer of Public Welfare

RECREATION COMMISSION REPORT

As we reflect back upon 1999, we recall the many recreation programs enjoyed by town residents and children that attended school in Sanbornton. During 1999, the Recreation Commission organized, coordinated and helped to support 19 programs. Listed and described below are the 1999 programs which the commission has provided for our community.

BEACHES: The beach programs are a major task of the Commission. The preparation of both the Winnisquam and Hermit beaches for summer usage included the following: cleaning; raking; purchasing two new rafts and anchoring them; painting, re-roping, and putting out safety buoys; garbage pickup, water testing, and toilet facilities. The Winnisquam beach remained closed for the summer due to high bacteria count. Telephone services were not provided due to the high cost.

The Commission interviewed, hired, and supervised one Red Cross Certified Lifeguard to maintain safety at Hermit beach, five days a week, throughout the summer. Sara Ahern did a great job.

WATER SAFETY INSTRUCTION: We were unable to offer lessons due to the lack of swimming instructors throughout the area.

SOCCER: The Sanbornton Youth Soccer program had 120 participants in grades K-8. All practices and games were held at the Town Park. For the 3rd consecutive year, players in grades 3-4,5-6, and 7-8 competed in a soccer league with Andover, Franklin, and the Pines Community Center. Games were held on Saturdays and practices were held on weeknights.

For the 1st time ever, Sanbornton held a soccer jamboree at the Town Park. The jamboree was for 3rd and 4th grade teams and took place on October 16th and 17th. There were six teams that participated in the round-robin jamboree.

There were over 25 local parents and community members who volunteered their time to coach, officiate, and tend the Snack Shack. The soccer program ran from August 14 to October 30, and all players received an award at the end of the season.

YOUTH BASKETBALL: The Sanbornton Youth Basketball program had 105 participants in grades K-6. All practices and games were held at the Sanbornton Central Elementary School's gymnasium. There was an "in-house" league with three coed teams for 3rd and 4th grade, 2 girls' teams for 5th and 6th grade, and 3 boys' teams for 5th and 6th grade. Games were held on Saturdays and practices were held on weeknights.

(Recreation continued)

The 3rd and 4th grade teams all had at least one opportunity to play the Pines Community Center travel team. Those games were played at the Southwick School. An all-star team was selected from the 3rd and 4th graders and they participated in 2 tournaments at Franklin and 1 tournament at Gilford.

The 5th and 6th grade boys' teams each had several games with the Plymouth travel team and the Pines Community Center travel team. These games were played at the Plymouth Elementary School and Sanbornton Central Elementary School. An all-star team was selected for the 5th and 6th grade boys and they participated in tournaments at Franklin and Tilton.

For the 1st time ever, the Sanbornton Recreation Commission teamed up with the Pines Community Center to host a 5th and 6th grade boys' basketball tournament. The tournament was held on March 5th, 6th, and 7th, and the games were played at the Sanbornton Central Elementary School and the Tilton Prep School. There were teams from Plymouth, Canterbury, Bristol, Pines Community Center and Sanbornton. The Sanbornton team won the tournament and it was a financial success.

There were over 25 local parents and community members who volunteered their time to coach, officiate and run the scoreboard. The basketball program ran from November 7, 1998 to March 14, 1999 and all players received an award at the end of the season.

FLOOR HOCKEY: Sanbornton Recreation's Floor Hockey Program has continued to be a growing success. A summer league for children grades K-8 was formed with 68 participants. The fall league for children had 84 participants, a growth of 14%. An older child/adult pick up league has been formed with approximately 18-24 players coming from as far away as Hill to play floor hockey on a weekly basis.

Several local and national companies continue to support this program with monetary contributions. Two noteworthy corporations with substantial monetary and equipment contributions were Noyes Fiber Systems of Belmont and Footmaxx, Inc. with corporate headquarters in Toronto, Canada.

Winnisquam School District has been very flexible allowing us to provide this activity utilizing the High School gym.

BEFORE & AFTER SCHOOL: Now in it's third year, the children enjoy doing arts and crafts, decorating for the Town Halloween party, playing games and many other activities.

(Recreation continued)

SUMMER DAY CAMP: Day Camp was held at the Sanbornton Central School for ages 5-12 with 45 children attending. The children had fun participating in field trips, arts & crafts, sports and many other fun and learning experiences. Thank you to all who helped out on this program.

HALLOWEEN PARTY: At the Town Hall everyone had a great time with the face-painting, the mysterious fortune teller, Joanne, and many other fun activities.

ADULT BASKETBALL: 20 adults play basketball every Tuesday night at the Sanbornton Central School.

AEROBICS: We were unable to find an instructor this year. If anyone is interested or knows of anyone, please contact us.

SENIOR CITIZEN TRIPS: We did not do any trips this year, as there does not seem to be much interest. If anyone is interested in Senior Trips or has ideas for other Senior Programs, please contact us.

TOWN PARK: Improvements continue at the Town Park. Work was done on the inside of the Snack Shack. Raking and cleaning were maintained.

ADULT VOLLEYBALL: 15 adults join at the Sanbornton Central School on Thursday and Saturday evenings.

TEEN NIGHT: Students in grades 7-12 are welcome to join at the Sanbornton Central School on Sunday evenings at 6:00 pm.

SKI PROGRAM: Children took ski lessons at Gunstock and a great time was had by all.

INDOOR SOCCER TEAM: A team of 14 young teens travel to Bow each week to play. They are very excited about this program.

Other programs that the commission sponsored and/or assisted with included: skating lessons, family skating at the Tilton School rink, support for the Sanbornton Youth Baseball League, the Tri-Town Lassie League, adult softball, tennis and the Christmas Tree lighting.

The Commission would like to thank the many community members who volunteered their time, energy and enthusiasm to this year's programs. You are what makes it possible for the Town of Sanbornton to have such wonderful programs for the people to enjoy. The members of the Commission appreciate

(Recreation continued)

all the time, effort and support that you put in to help make all the programs the best they can be. We hope that we will see you all in 2000.

The Recreation Commission has a phone at the Sanbornton Central School. The number is 286-2659. We are looking for people to be on the Commission if interested please call or come to a meeting on the second Tuesday of the month.

Goals for 2000 include the following:

1) To make more improvements on the Snack Shack.
2) To re-organize the Commission.
3) To start an adult floor hockey program.
4) To improve beaches.
5) To look at doing a community calendar.
6) To develop new programs.

Respectfully submitted,
The Recreation Commission

SANBORNTON PUBLIC LIBRARY REPORT

Throughout the year at the library plans were continued for our future expansion. Our regular services to our patrons, with books, audio/visuals, and periodicals information keeps us busy. The staff researches on line for patrons requests for books, through Inter-Library loan, and on the internet for research questions. The Encarta encyclopedia is also a tool used for student research questions. All of our catalogue cards are now printed through a computer program with the NH State Library called Super Cat. Most books are now ordered on line through a program called B&T Link. Also, Amazon.Com is helpful to research book titles, and other book and author information. With more and more of our work being done on the computer, we are making use of the technological era and will be doing more each year.

Story-time for three & four year olds was held again in the spring. Also, a story is read to a small day care group every Thursday afternoon. Many of these programs are held in the upstairs room of the library, including Girl Scouts holding regular meetings, and Moulton's Band members holding practices on Monday evenings during the months of May through September. The room is available for town activities through reservation with the librarian. The summer program had two special features which were well received by all. Dan Grady returned with his marionettes - an excellent show, and the Caravan Wagon with UNH students was also enjoyed by all.

Sales of craft items continued, and two other fund raisers were held to help our building fund grow. An Antique Appraisal Day was a great success, and many have asked us to repeat it. Our sale of pocket calendars was also a great success, due in part to Andrew Wyman our 12 year old student who sold many calendars at the landfill, and about town. We also wish to thank all of the adults who either purchased a calendar, or sold a package for us. Thank you to all who worked on these projects.

Our building committee meets on a regular basis. They are slowly working out the problems on boundaries, the future septic needs, and the finances. Even though it is slow work they feel that they have accomplished much and hope for the project to make further progress this year.

We continue to purchase new materials each month, and have a working system for reserves, and requests. Remember to visit the library often, and enjoy what it has to offer. Library cards are being updated now, and if you don't have a card yet your may get one at the library during our regular hours.

Respectfully submitted,
Lola Morse, Chairperson
Priscilla Bodwell, Librarian

SOLID WASTE COMMITTEE REPORT

1999 was the fourth full year for operation of our transfer station. 1999 was a very eventful year since we put the municipal solid waste (MSW) disposal out for bid. Four bidders responded and we awarded a new three year contract to North Country Environmental Services, with an option for two additional years. MSW will continue to be disposed of at their commercial solid waste landfill, Consummate Sanco, in Bethelehem, NH. The major issue associated with this new contract is the cost of waste disposal which has risen approximately 50% over our previous contract. All of our MSW waste continues to be disposed of at their Bethelhem landfill. With this in mind we should all put more effort into our recycling, lets keep our tonage down, and increase our numbers for recycling.

During 1999 we disposed of 467.18 tons of garbage in bags and 471.75 tons of demolition debris at the Bethlehem landfill at a disposal cost of $60.00 per ton. This was an increase in 44 tons of bagged garbage and an increase of 74 tons of demolition debris compared to the amount of MSW disposed at Consummate Sanco Landfill in 1998. Revenue from bags and fees was $32,219.30 and $24,116.00 which offsets the cost of MSW disposal.

The operation of the transfer station continues to excel under the management of Mary O'Neil. In 1999, we recycled 152 tons of paper, plastic, glass and aluminum. The amount of recycling of glass was 22 tons from 1998, because Mary was using crushed glass for fill at the landfill, instead of paying to send it out. The metal market is significantly depressed from previous years and no metal was shipped in 1998. Sanbornton continues to have a model transfer station and operation. We honor and thank Mary and her team members, Dick Hunkins, Dick Leclerc, Jane Goodwin, Cliff Steinhauer and Matt Leclerc, for a job well done!

The town continues to work with the State for the closure of the landfill. The Selectmen have requested to conduct an interim closure of the landfill due to the decrease in leachates from the landfill. Test results obtained from previous groundwater monitoring indicate that the level of contamination does not exceed the drinking water standards. As a result, the State has agreed to an interim closure with a soil cap. In order to accomplish this, the Solid Waste Committee prepared a solicitation for Engineering Services to initiate the formal closure of the old landfill. A contract was awarded to Nelson & Ward to finalize the plans and begin the capping of our three acre landfill.

The operating budget for 1999 was $103,580.00 and expenditures were $137,748.00. The increase in expenditures is primarily due to...More MSW was generated than projected, and the increase in solid waste contract. Our revenue projection from the sale of recyclables continues to be down due to a softness in the spot market for these materials. As more towns recycle, the supply of

(Solid Waste Committee continued)

recyclables exceeds the demand and the Far East recession has depressed the metal market.

ITEM	1996	1997	1998	1999
Garbage in Bags	400 Tons	427 Tons	423 Tons	467 Tons
Demo Debris	243 Tons	300 Tons	397 Tons	472 Tons

The committee members; Dana Draper, Dick Laravee, Patricia Shattuck, Mary O'Neil and Bob White have done an outstanding job this past year in preparing two competitive solicitation packages, reviewing the proposals and recommending award recipients to the selectmen.

Respectfully submitted,
Bob White
Solid Waste Committee

ZONING BOARD OF ADJUSTMENT REPORT

The Sanbornton Zoning Board of Adjustment heard nineteen cases in 1999: one was an Appeal from an Administrative Decision, eight were seeking Special Exception, and ten were seeking Variance.

The Zoning Board is a board comprised of ten residents, five of whom are members and five are alternate members. Currently, there is an opening for one additional member. All ten members are appointed for three-year terms and are allowed to hear and vote on any appeal before the board. The Board can hear appeals from individuals who feel wronged by inflexible zoning ordinance requirements and/or administrative decisions of other town boards. Special Exceptions to our zoning ordinance can also be granted by the Zoning Board of Adjustment. Appearing before the Zoning Board provides residents the first step in the appeals process before entering the court system. Decisions of the Zoning Board are based on State Law, legal precedent, and our town Zoning Ordinance.

As stated in Article 1 of the Zoning Ordinance, the Sanbornton Zoning Ordinance exists "for the purpose of promoting the health, safety, morals, prosperity, convenience or general welfare, as well as efficiency and economy in the process of development of the inhabitants of the Town of Sanbornton, New Hampshire, by securing safety from fire, panic and other dangers, providing adequate areas between buildings and various rights-of-way, by preserving the rural charm now attached to our Town, the promotion of good civic design and arrangements, wise and efficient expenditure of public funds, and the adequate provision of public utilities and other public requirements, and by other means."

The Zoning Board of Adjustment meets on the third Wednesday of each month, as applications require, but applicants should inquire with the clerk for the exact date in any given month. Applications for special exceptions or variance may be obtained from the Selectmen's Office. Completed applications should be returned by the first day of the month in which the appeal is scheduled to be heard.

Interested residents are invited to attend the hearing scheduled in any month. Notice of hearing and meeting minutes are posted publicly and are a matter of public record.

Respectfully submitted,
Ann E. Littlefield, Clerk

COMMUNITY ACTION PROGRAM REPORT

The Community Action Program provides utility, landlord/tenant, legal and health counseling, as well as referrals for housing, transportation and other life concerns. These support/advocacy services are not tracked. Following is a summary of services provided to Sanbornton residents by the Franklin Area Center of the Belknap-Merrimack Community Action Program:

Service Description	Units of Service	Persons	Total Value
Commodity Supplemental Food Program	82 Packages	7	$1,803.18
Congregate Meals	294 Meals	12	$1,761.06
Emergency Food Pantries	312 Meals	52	$936.00
Family Planning	70 Visits	38	$4,172.40
Fuel Assistance	31 Applications	72	$13,419.91
Supplemental Energy Assistance	12 Applications	--	$1,200.00
Women, Infants & Children	284 Vouchers	24	$10,934.00
Meals-On-Wheels	318 Meals	4	$1,962.06
Senior Companion Program	82 Hours	1	$373.92
CAP Transportation	28 Rides	--	$131.32
Head Start		1	$6,445.00
GRAND TOTAL			**$43,138.85**

Sincerely,
Gail Lyman, Area Director

COMMUNITY HEALTH & HOSPICE REPORT

Community Health & Hospice is a non-profit home and community health agency serving the greater Lakes Region. During our last fiscal year, Community Health received funds from the town of Sanbornton to help support professional health care services provided to town residents. During that year, the agency provided vaccines to town residents and support to families affected by Alzheimer's disease. In addition, the agency was pleased to provide the following home based services to Sanbornton residents:

Registered Nurse Home Visits..... 169
Physical/Occupational/Speech Therapy Visits 213
Medical Social Worker Visits..... 8
Home Health Aide Personal Care Visits..... 212
Young Family Support Service Visits..... 20
Homemaker Chore Service Visits..... 38
Hospice Visits by nurses, counselors,
aides, and others 166
Adult In-Home Support (for those who otherwise
would be in the nursing home) 50
Home Care Assistant 13

In Summary, a total of 897 visits were made to the homes of Sanbornton residents to provide in home care as well as community health services outside the home.

Community Health & Hospice is interested in identifying interest from the community in expanding some of our elderly service clinics to Sanbornton. In particular, we are interested in learning whether there is interest in a Foot Care Clinic or a Blood Pressure Clinic at community locations. Please contact Pat Marceau for further information.

Respectfully submitted,
Margaret Franckhauser

LAKES REGION COMMUNITY SERVICES COUNCIL

Throughout the past year, Lakes Region Community Services Council has continued to serve those Sanbornton residents who have a developmental disability. Services such as: residential, vocational, family support and transportation, have long become an inherent part of the lives of these individuals.

Our transportation system, "Greater Laconia Transit Agency" (GLTA), serves two specific functions in our region. One provides for the specialized transportation needs of those town residents who have a developmental disability, and the other serves the general public. For the former, these needs involve a daily round trip service between home and a variety of vocational programs. The general public on the other hand, can access GLTA's services along specified routes, or by charter.

Funding from the town has been, and will continue to be earmarked to support capital purchase for the disability component of this transportation system.

Sincerely,
Stephen C. Maguire
Assistant Executive Director

LAKES REGION FAMILY SERVICE ASSOCIATION REPORT

Lakes Region Family Service greatly appreciates Sanbornton's support of our services. In 1999, we directly served 40 Sanbornton families in our counseling program.

Peer Mediation training took place in October 1999. There were three (1 ½ hour) sessions run by the mediation coordinator from Lakes Region Family Service Program. The students were enthusiastic and cooperative during the training. There were nine girls and one boy who completed the program. They were all fifth graders. Regina Pauer is the school guidance counselor and she is continuing to work with the students in this program.

A refresher training is planned for early 2000. The students will increase their problem solving skills at this time.

Respectfully submitted,
Nicole E. Maher, Executive Director

LAKES REGION PLANNING COMMISSION

LRPC, with a service area covering over 1,200 square miles in Belknap, Carroll, Grafton and Merrimack Counties, is one of nine regional planning agencies established by state statute. We continued to have a very busy year. Our work program remains diverse with activities such as local planning assistance, circuit rider planning, regional information systems & mapping, transportation planning, economic development, and natural resources planning. We are funded through multiple sources including local dues contributed by member municipalities. LRPC was called upon many times each day to provide local technical advice, and to respond to requests for service. We have also continued to maintain a regular dialogue with those state agencies that depend on us for a linkage to the communities in the Lakes Region. Our goal remains to provide support and leadership to the region, its governments, businesses, and citizens.

A few of our accomplishments over the past year are as follows:

- Co-hosted and organized three public Municipal Law Lectures where practicing attorneys provide a legal perspective on local planning, zoning and other municipal issues.
- Performed substantial research leading to the publication of the **Lakes Region Scenic Byway Corridor Management Plan**. The Plan is a guide for local communities interested in maintaining or enhancing the qualities of a scenic Byway.
- Completed an assessment for a regional household hazardous waste collection center, for the Lakes Region. Conducted a regional meeting as a follow up.
- Completed the 1999 update to the **Regional Transportation Improvement Program**. The regional TIP is used by the NH Department of Transportation to prepare the biennial update to the State Ten-Year Plan.
- In cooperation with the NH Department of Environmental Services, LRPC completed the second year of community outreach that sought priority natural, cultural, and historic resources in all communities. Over 1300 features have been identified.
- Maintained the Regional Census Data Center, and extensive database of demographic and socioeconomic data on the region, state, and the U.S.
- Coordinated the 14th annual Household Hazardous Waste Collection (HHW), the largest single day, multi-site collection in New Hampshire. Reviewed efforts to include a permanent HHW Collection Center.
- Continued area commission meetings to facilitate opportunities for local communities and commissioners to discuss regional projects and priorities, and the role of the commissioner.

(LRPC continued)

- Provided administrative support to the Advisory Task Force concerned about the relocation of a section of NH Route 140 in the town of Belmont. The Task Force includes members from neighboring communities.
- Provided information, including local regulatory recommendations, to communities about the National Flood Insurance Program.
- Enhanced LRPC's Web Site, **www.lakesrpc.org**, for the delivery of timely information to our members and the greater public. The web site contains information on meetings and schedules, current LRPC activities, as well as extensive traffic count and socioeconomic database. There are approximately twenty-seven requests a day from the web site.
- In cooperation with the NH Department of Transportation, the LRPC assumed a major role in conducting an extensive traffic data collection program in all area communities.
- Fulfilled regional efforts leading to the completion of the **Route 16 Corridor Study**. This report includes several innovative transportation and land use recommendations that can benefit all communities.
- Maintained staff support for the Pemigewasset River Local Advisory Committee. The committee is continuing efforts to prepare a corridor management plan. It is anticipated for completion next year.
- Convened two citizen educational workshops: one on the location of cellular towers, and the other on preparing and implementing a successful community survey.
- Initiated research on regional commercial, industrial, and residential development trends.

We look forward to serving Sanbornton in the future. Feel free to contact the LRPC at 279-8171 for additional information or whenever we can be of assistance.

Kimon Koulet, Executive Director
Lakes Region Planning Commission

NEW BEGINNINGS-A WOMEN'S CRISIS CENTER REPORT

On behalf of New Beginnings A Women's Crisis Center and those we serve, I would like to thank the Town of Sanbornton for its continued support. The $1,000.00 allocation in 1999 assisted us in providing emergency services, advocacy and support to those whose lives have been affected by domestic and sexual violence.

New Beginnings offers 24-Hour Crisis Line. We operate a full time shelter for women and children and have safe homes for male victims; provide support and advocacy at courts, hospitals, police stations, and social service agencies. New Beginnings offers peer support groups for those affected by domestic or sexual violence, assists with needs assessments, case management and housing options; and does community outreach and education programs for youth, teens and adults. **All services are confidential and are provided free of charge.**

The advocacy, outreach, education and support services our agency provides represent many service hours. Our statistics, for Sanbornton, in 1998 demonstrate that we served 539 total contacts in educational/community outreach and individuals. Our agency documented 5,099 requests for services in 1998. There were 22 contacts that were of unknown residence.

New Beginnings is one of 14 members of the statewide NH Coalition Against Domestic and Sexual Violence, promoting statewide networking and resource sharing among domestic and sexual assault programs. The coalition is an evaluating body and administrator of state and federal contracts that provide subsidiary funding for member programs while advocating for legislative change that affect victims/survivors of domestic and sexual violence.

We greatly appreciate the support of the Sanbornton community. We are dedicated to human service, social responsibility and fiscal accountability. Although, New Beginnings represents a finite portion of the Sanbornton Town Budget the returns are immeasurable. We welcome your participation in our efforts to insure a world of safety for our children and ourselves.

Volunteers are an integral part of the work done by our agency. In 1998 there were 12,338 hours of service provided by volunteers. They are always needed and the opportunity to service is fulfilling.

Thank you for joining us to ***make a difference***.

Sincerely,
Kathy Keller, Director

NEW HAMPSHIRE HUMANE SOCIETY

The New Hampshire Humane Society (NHHS) provides numerous services to the residents and companion animals in the Town of Sanbornton. Strays are safely housed for 7 days when they become available for adoption to the public. NHHS takes in owner-relinquished pets by appointment and matches the animal with the best adoptive home. We offer the residents of your town an alternative to releasing their animal to the streets when they can non longer care for them. Quarantine facilities are made available to the town as well as the services of our animal cruelty investigator. Educational programs are offered to town schools and civic organizations. If you are interested in any of the programs, please call the administrative offices at (603) 524-8236 or contact the shelter at (603)524-3252.

The total number of animals brought to the New Hampshire Humane Society from your Town during 1999 is as follows:

ANIMALS	From the Town of Sanbornton	Owner Surrendered
Dogs & Puppies	15	12
Cats & Kittens	8	11
Other animals	0	0

Total received from the Town of Sanbornton: 23
Total received from the Residents 23
Total number of all animals received.....46

Respectfully submitted,
Claudia Abdinoor, Executive Director

WINNISQUAM FIRE DEPARTMENT REPORT

The Winnisquam Fire Department answered 399 calls during 1999, an increase of over 50 calls compared to last year. A breakdown of the calls by location is as follows:

	Belmont	**Sanbornton**	Tilton	Other Areas
Structure Fires	10	**1**	2	15
Chimney Fires	7	**0**	0	0
Vehicle Fires	3	**2**	2	1
Brush Fires	7	**6**	4	1
Other	30	4	6	8
Alarm Activations	49	**18**	2	3
Medical Calls	90*	**28**	51	3
Motor Vehicle Accidents	24	**5**	21	2
Service Calls	4	**2**	0	0
TOTALS	224	**66**	88	21

* Response by Winnisquam only - 32

The members of the Winnisquam Fire Department wish to thank the people of the towns for their continued support of our operations. This is the 58th year of our providing first response fire and medical assistance to the area. We presently serve the Winnisquam Lake area of the towns of Belmont and Sanbornton, the Tilton-Northfield Fire District, and the Blackbrook Road area of Meredith. We are also called to respond on Mutual aid outside of our normal response areas through our membership in the Lakes Region Mutual Fire Aid Association.

This past year we completed the rebuilding of our 1981 pumper, having covered about $16,000 in costs out of the Operating Budget, fund raising and donations. The work was financed over the past two years without asking for any additional Capital Funds from the town meetings. This work will enable us to keep the truck in service for another 10-15 years. We also stripped and re-shingled the roof on the hall of the firehouse, with the stripping and cleanup labor being donated by our members. In the coming year, one major planned project is the refurbishing of the outside of the building, which will include pressure washing and repainting the walls, and wrapping the trim with aluminum. The cost of this work will also come out of our Operating Budget, fund raising and donations, no additional Capital Funds being sought.

We presently have 26 members, most of whom are certified as Firefighters by the State, and of whom, one is certified at Paramedic level, four at Intermediate level and seven at Basic level by the National Registry of Emergency Medical Technicians, with several more just completing their Basic level training.

(Winnisquam Fire Department continued)

Medical Calls and Motor Vehicle Accidents make up over half of our calls, as can be seen from the chart above.

It is with this in mind that we will be seeking funds from the towns this coming year for the replacement of our 1980 Ambulance, which after twenty years of service is "getting tired", as was pointed out during our last State Department of Health annual inspection. It also has a patient compartment that often proves too small, by today's standards, for the Advanced Life Support level of care that we provide. We are asking the towns to appropriate $80,000, with the department prepared to cover up to an additional $20-25,000 of the cost of a new unit from donations and funds raised through dinners, car washes, and staffing our "food van" at Old Home Days and other area gatherings. We are presently in the process of looking at the ambulances that are presently in service in the area, and having new demonstrator units brought to the station by manufacturers. We hope to have final specifications ready so that we might be ready to have the new ambulance ordered soon after the town meetings in March.

We are also asking the towns for funding this coming year for the replacement of our radio system. This has to be done, since our growing mutual aid association, which now covers an area larger than the State of Rhode Island, will be changing over to a higher radio frequency, and the present radio equipment cannot be adapted to these frequencies. This change also requires the replacement of all of the pagers that our personnel carry to alert them of an emergency call for our department. Once the changeover to the new frequencies is made, we will have a much better, more usable and up-to-date system, designed to handle the great increase in calls that is now being handled by the Dispatch Center of the mutual aid system. This Center will be moving this Spring from the basement of the County Courthouse to new facilities at the old State School, in a building to be shared with a 911 dispatch center.

Additional Capital Funds are being sought this coming budget for the seventh and final year of replacing our Air Packs at two units each year, and for some additional hose and nozzles to improve our ability to fight woods fires with our newly rebuilt forestry truck that is now in service.

Respectfully submitted,
Richard W. Gray, Chief

YOUTH ASSISTANCE PROGRAM REPORT

The Youth Assistance Program will be 25 years old in the year 2000. The present staff will have worked for the towns of Northfield, Sanbornton and Tilton for 15 years. We have witnessed changes. When we started working for the program there were very few girls in Court Diversion. Now at least half of those with whom we work are girls. Many take advantage of our prevention activities. We offered, and still do, groups and individual help for parents.

We struggle to bring the program to the attention of the public. This still remains difficult since our work with juveniles is strictly confidential.

We continue to make good use of our wonderful volunteers and work closely with the police, schools and parents. We have interns from Plymouth State College and other nearby schools. The Youth Assistance Program was the first juvenile court diversion program in New Hampshire. There are now juvenile court diversion programs all over the State. The Juvenile Court Diversion Network meets regularly I Concord. We are recognized favorably by judges and members of the legal system.

Even though our program is primarily for first time offenders the courts refer youths to us for community service, the YES Program for shoplifters, the Challenge Training for drug and alcohol related offenses, and the Tobacco Program for underage tobacco violations. Teen pregnancy rates have escalated as well as problems with alcohol and drug use. Truancy is also on the rise. Shoplifting remains high. Young people are referred to us for assault, vandalism, burglary, theft, minor sex offenses, fire setting and other problems.

In 1999, a group of concerned citizens joined to start the Youth Opportunities Program. Young people have been getting in trouble and creating problems within our towns for lack of interesting, productive activities. Both parents are working and after school time often leaves youths without supervision. The target population is middle school and early high school. The Providian Bank provided us with start up funds. The Youth Assistance Program became the "umbrella" nonprofit program for YO. In April we hired Tinelle Bustam. She laid a good foundation, but left to further her education at the end of August. At the beginning of October, Greg Steelman took over the position with enthusiasm and competence.

Some of the after school activities that have been offered are girls self-defense, touch football, a pet show, cooking, indoor rock climbing, various craft projects and local trips. Anyone interested in offering their skills for an after school activity please let us know. We can use ideas for a one time event or for something that will last a few weeks. We'd like to hear your suggestions. The number to call is 286-8577. Please ask for Greg, Martha or Dawn.

(Youth Assistance Program continued)
